To whom it may concern,

Regarding Thomas & Son, Isle of Man,

We employed the above firm earlier this year to paint the outer rendered walls of our bungalow.

We were very pleased with the quality of the work they produced and also the professional attitude of the men themselves who were clean, friendly, prompt and hard working.

We would employ them again for any construction work that we require and have no hesitation in recommending them to anyone.

Signed: R. Thomas

E. Thomas
