June 2010

To whom it may concern

Thomas & Son, Isle of Man

Following a recommendation, I employed the above firm to carry out a variety of jobs to my property. These included:-

Outside painting
Stripping and rendering a tall chimney
Woodwork repairs and
the reconstruction of a large timber balcony

I found their work to be at professional standards and quality, carried out on time and at the agreed price. They were pleasant, reliable and honest.
