THOMAS & SON

This is to confirm that Thomas & Son carried out work on my property, Southdown, during the summer of 2009.The contract was for the removal of growth (lichen and moss) from the roof, cleaning and painting. The work was competitively priced (three quotations obtained), and was professionally executed with no delay or inconvenience to myself. I was particularly impressed by the efficient manner in which the work was carried out , including the removal of all rubbish and cleaning up operations, once the work was finished.
Thomas & Son also carried out additional work, involving the re-plastering of a rear porch and toilet. Again this work was completed professionally, on time and without any problems.
I would therefore have no hesitation in recommending Thomas & Son as a trustworthy and professional contractor whose workmanship and reliability is First Class.

Yours faithfully,
